2. Given your present assignment, what segment of the course did you find most useful? Least useful?

The overall functions of CIA components, gives a broad view of the Agency as a pretty well needed organization; should be, however offered to employees, much earlier in their careers.

3. Please describe how the course benefited you. As an Agency employee

I now am much more aware of the whole Agency cause, procedures and reasoning. It also shines a brighter light on my career in what directions to take to achieve my goal.

4. What suggestions do you have for improving this course?

Only a more detailed briefing from all directorates involved in trends, would help.
