Dear

Enclosed you will find the agenda for the November Biological Image Processing Conference and the list of participants. We should like to remind you that the Conference will open at 9:00 a. m. on Thursday, November 17th. For those participants staying at the Santa Ynez Inn, breakfast will be served in the main dining room beginning at 7:00 a. m. Please sign your breakfast checks, indicating your room number and that you are attending the Biological Image Processing Conference.

There will be a social hour beginning at 6 o'clock in the Terrace Room at the Inn before dinner on Thursday night with cocktails available on a cash basis.

I will be registering at the Inn by mid-afternoon on Wednesday, November 16th. I will be available from that time to offer any assistance you may require with your travel, projection equipment or any other problems that may arise during the conference.

We, on the planning committee, have been gratified by the enthusiastic response we have received from the individuals who will be attending this conference. We sincerely hope that it will prove to be a stimulating intellectual exchange for everyone.

Sincerely,

*Diane*

Diane M. Ramsey, Ph. D.  
Conference Manager, Bio-  
logical Image Processing  
Conference
