ORD # 8390-68

TSD Requirement TI-16-69

12 December 1968

MEMORANDUM FOR: DD/ORD

ATTENTION :

25X1

SUBJECT : Requirement for the Development of a Remote Sensor Emplacement Capability

1. As a result of your briefing on the subject AP/ORD Program, the TSD Audio D&E Program Manager, the TSD Audio Requirements Technical Officer and the undersigned are all in agreement that this effort should continue as programmed.

2. TSD would appreciate a program summary-type briefing periodically, say every four months, in order to keep us aware of the program's progress and direction as future decisions are to be made.
