changed work will not afford protection of the right to additional compensation for such work.

COMPENSATION:

Task Order Cost:

The target cost for this task order shall be

25X1

25X1

25X1

Task Order Fee:

The base fee for performance of this task order shall be

25X1 25X1

The amount of the base fee as set forth in this task order is included solely for funding purposes. The final fee shall be calculated on the target cost as set forth above and shall be based upon a determination, to be made by the Contracting Officer, within thirty (30) days following satisfactory completion of the work. The final fee shall be awarded within the following schedule:

Outstanding	11%
Excellent	10%
Good	9.5%
Above Average	8%
Average	7%
Base/Minimum	5%

The evaluation criteria shall consist of the following factors as applied to the range of the fee effectiveness:

Performance	75%
Management	5%
Cost Control	15%

SECURITY:

The work to be performed under this task order and the reports to be delivered hereunder are classified SECRET. All classified work shall be performed only by persons holding appropriate security clearances from the sponsor. Classified work may be done only in Restricted Areas or Secure Areas which have been inspected by the Security Representative of the Contracting Officer.

The association of the sponsor with the work being produced under this task order is classified SECRET. This classified information and any other classified information which may be specified above, will be divulged only on a need-to-know basis and then only to those who have been authorized in writing by the sponsor to have access to classified information. Correspondence originated by you which contains the name and address of the Contracting Officer shall be stamped with the classification of SECRET, unless such correspondence contains data of a higher

classification in which case it shall bear the same classification as such data.

In the event any question may arise during the preliminary phases of the work and/or research concerning the security of the technical aspects i.e., security classification of various component parts and/or related reports connected thereto, the Technical Representative of the Contracting Officer is authorized to furnish security guidance during this interim period. This is only to be considered an authorized expedient and efficient means of resolving technical security problems by the Technical Representative of the Contracting Officer on the spot and is not to be construed as a waiver of the Contractor's responsibility to request formal written notification and/or authorization from the Contracting Officer prior to effecting any changes in over-all security classification of the task order, or item and/or reports being developed thereunder or the Contractor's Security Requirements, as agreed.
