	NARRATIVE REPOR	RT	INTER I	м · .	FINAL					
Preparation for the Ground Order of Battle Resolution Study is nearing completion: Imagery has been collected of selected, high priority GOB targets and is currently being manipulated photographically for purposes of the study. A final technical report for this contract is expected within six weeks. It will contain a complete experimental plan for the conduct of the actual study. The study itself is scheduled to occur under a follow-on CPAF contract to be negotiated this month and to commence prior to 1 July.
