MEMORANDUM FOR THE RECORD

SUBJECT: State Request for Transcript of Director's
Testimony before Gore Subcommittee

Following the USIB meeting this morning, Sy Weiss told me that he was speaking on behalf of Tom Hughes to say that Secretary Rogers would like to read the testimony of the Director before the Gore subcommittee yesterday. Mr. Weiss said that, if possible, they would like to see the transcript that includes the questions and answers as well as the formal testimony. I told Mr. Weiss I would bring this request to the attention of the proper authority.
