Ed:

Attached are three partial or complete documents:

STATINTL

1. Portions of minutes of the 15 May NRP EXCOM meeting which reflect [REDACTED] discussions and Secretary's Note indicating your role in review.

STATINTL

2. Portions of the 10 May NRO Agenda and Staff papers distributed for the meeting above.

3. The COMIREX memo to [REDACTED] providing additional guidance on factors affecting schedules and options as identified by the NRO. This memo is quite specialized in its focus, as you will see.

STATINTL

I would like your guidance on the next step. I propose meeting with you, [REDACTED] early next week to review the scheduling factors and related aspects of the photo program. The objective would be to determine whether there are any factors or considerations concerning the schedule on which you three might have different views.
