

4 October 1973

MEMORANDUM FOR: Chief, O/DD/I Administrative Staff
SUBJECT : Electronic Calculator

It is requested that a Hewlett-Packard Advanced Scientific Pocket Calculator Model HP-45 be procured for use by members of the COMIREX Headquarters Staff. With the ever-increasing workload and the demand for more and more detailed analyses of system performance against intelligence requirements, projected satisfaction levels with various schedules and system mixes, and planning for advanced systems, the additional capabilities of this new pocket calculator will provide invaluable assistance.

Office of the Chairman, COMIREX
