MEMORANDUM FOR CHAIRMAN, COMOR

25X1

SUBJECT : Targeting for the R-7 Standby
REFERENCE : USIB-D-41.14/63 (COMOR-D-56/18),
3 September 1963

1. Through medium of vote sheet action completed on 13 September, USIB approved the COMOR recommendation on the subject as submitted in paragraph 5 of the reference. Specifically, thereby, the Board noted Tab A to USIB-D-41.14/63 and approved, initially, the inclusion of the Sino-Soviet and Sino-Indian borders in the programming of the R-7 standby as indicated in paragraph 3 of that document, with the explicit understanding that the decision on whether the R-7 will actually be used against these areas is to be made at the time the R-7 is employed.

2. The above USIB action is referred herewith to the Chairman, COMOR for appropriate implementation.
