REFERENCE : USIB-D-41.15/80 (COMOR-D-48/119), 25 November 1966,

1. The United States Intelligence Board as of 30 November 1966 concurred in the cancellation of the December KH-4 mission, as recommended by the Committee on Overhead Reconnaissance (COMOR) in paragraph 5 of the attachment to the reference.

2. General Carroll however concurred with this recommendation, subject to the comment that in the last sentence of paragraph 3 of the COMOR report, the words "at this time" should be inserted as shown by underlining below:

"Deficiency in fulfilling this requirement, however, is not considered to be sufficiently important at this time as to warrant launch of a KH-4 mission at a time when other requirements are satisfied."

3. Accordingly, the Deputy Director, National Reconnaissance Office, and the Chairman, COMOR, have been informed of the above USIB action on this date.
