OCI NOTICE  
NO. 50-82

OPERATIONS  
8 November 1966

OFFICE OF CURRENT INTELLIGENCE

SUPPORT FOR PRODUCTION OF STUDY RELATED TO VIETNAM

1. OCI has been given a substantial share in the preparation of the "McNamara III" study. This is an in-depth study of the effect and impact of the Rolling Thunder program in Vietnam.

2. OCI's obligation is to analyze third country attitudes toward the program. It is hoped that this will provide some insight into the extent to which the U.S. must take account of third country attitudes in making policy decisions on Rolling Thunder.

25X1A 3. [REDACTED] will be the principal OCI officer in this project. After consultation with the appropriate desks, he will solicit contributions from all areas concerned.
