UNITED STATES INTELLIGENCE BOARD

MEMORANDUM FOR THE MEMBERS OF USIB

**SUBJECT: Recommendations of Committee on International
Communism**

1. The attached memorandum from the Chairman, Committee on International Communism, is submitted pursuant to the decision of the IAC on 9 September that that Committee "consider what the nature and scope of its future activities should be and make recommendations on this question to the IAC" (IAC-M-360, item 7). In addition, Mr. Johnson suggests that the recommendation in this memorandum be accepted as an interim report in compliance with subparagraph b of Action I of IAC-D-112/3, 19 August (circulated subsequently as USIB-D-1./2, 19 September).

2. This matter will be placed on the agenda of an early USIB meeting (probably that of 14 October) for review and action on the Committee's recommendation.
