vs

American Telephone & Telegraph  
Company (Nation-Wide System)

Defendant

MOTION TO JOIN A.T.& T. AS AN INDISPENSABLE PARTY

Comes now the Plaintiff in the above entitled and numbered action and respectfully moves the Court to enjoin The American Telephone and Telegraph Company to the action for Obstruction of Justice now pending in the Court in:

James H. Holmes, III, et al CA 3-76-0324 F

This request is made pursuant to Rule 19 of the Federal Rules of Civil Procedure.

In as much as A.T.& T. provides WAT line service, and in as much as the plaintiff has reason to believe that the presence of an electronic circuit connected to various WAT lines is the source of at least part of her mental difficulty, it would appear that A.T. & T. is a necessary party to the just adjudication of the action.

Wherefor premise considered, the plaintiff prays that A.T.& T. be enjoined as an indispensable party.

Respectfully submitted,
