20 October 1976

MEMORANDUM FOR: Director of Central Intelligence

FROM : George L. Cary, Legislative Counsel

SUBJECT : Jack Blum and Jerome Levinson

REFERENCE : Your Note, dated 8 October 1976, on
above subjects

1. Jerome Levinson and Jack Blum have been for a number of years the Counsel and Associate Counsel of the Subcommittee on Multinational Corporations of the Senate Foreign Relations Committee. This Subcommittee is chaired by Senator Frank Church.

2. Blum and Levinson in the past have been involved in a number of eye-catching investigations. In particular, they were a large part of the motivating force in 1973 when this Subcommittee investigated U.S. Government involvement in the coup in Chile. Most recently they have contributed in some measure to the surfacing of the Lockheed bribery scandals overseas.

3. Levinson is still with the Subcommittee, however, Blum left the Subcommittee about two months ago for a lobbying job in Washington, D.C.

4. As staff on the Senate Foreign Relations Committee, they have had and still have Top Secret clearances, however, Blum's clearances are being cancelled since he has left the Committee.

NOTE TO: OLC

X1C

I was told by [redacted] that there are two people on the Church Committee staff that could not get clearances. Their names are Blum and Levinson. The [redacted] official feels that these men have a real vendetta against [redacted]

X1C

X1C

Do you know anything about these clearances?
