Mr. Irwin S. Cohen  
Manager, TRW Defense Space Systems  
TRW

Dear Mr. Cohen:

I wish to thank you for the most informative briefings which you provided myself and my staff during our visit to TRW last week. Your briefing was of great value in helping me to understand your very complex program. I am very much impressed with the success which your program has achieved. I am confident that the program will continue to be as successful in the future.

Very truly yours,
