Mr. James R. Burnett  
Senior TRW Vice President  
TRW

Dear Mr. Burnett:

I wish to thank you and all of your personnel for the extremely informative briefing and tour which you provided myself and my staff last week. I was most impressed with the competence and professionalism displayed by your organization. It is of great value to me to be able to visit the builders of hardware in which we have an interest.

Please be assured that the information which I gained in my visit to TRW will be of great value to me in my sessions with Congress later this year.

Very truly yours,
