Vice President and Group Executive
for Space and Communications
Hughes Aircraft Corporation

Dear Bud:

I wish to express my appreciation to you and your personnel at Hughes Aircraft Corporation for the very informative briefings and tours which you provided me and my staff last week.

The opportunity to examine the hardware and hear firsthand from the hardware builders certainly has contributed to my better understanding of your programs. This will be of great help to me in my forthcoming efforts before Congress.

STATINTTEL

Very truly yours,
