

CENTRAL INTELLIGENCE AGENCY
WASHINGTON, D. C. 20505

20 February 1976

Mr. Lewis R. Franklin
Electromagnetic Systems Laboratories
Sunnyvale, California

Dear Mr. Franklin:

I want to thank you for the most informative briefings and tours which you provided my staff and myself last week. I understand the project you are working on a good deal better as a result of your briefing. It was my pleasure to meet with you.

Very truly yours,

STATINTL

George Bush
