25X1	5. LIAISON Jean Christoff, Senate Select
	Committee on Intelligence staff, called with questions regarding documents
	supplied the Committee on the MKULTRA programs. I told her I didn't
	handle this personally and I would ask of our office, to call25X
	her.
25X1	6. LIAISON Received a call from Mike Hodin,
	in the office of Senator Daniel P. Movnihan (D., N. V.), who said there
	nad misplaced the copy I delivered of the unclassified report !!World Chart
i ve. Logic	Market Continued Trouble Ahead" and asked for another. I agreed to deliver
	one and did so later in the day.
:	
25X1	7. LIAISON Received a call from Elliot
	Maxwell, Senate Select Committee on Intelligence staff, who said he would
-	be unable to address the Senior Seminar as he had previously agreed because
	of a meeting just called at the NSC on the new Executive Order. Tasked
	Anne Karalekas, also of the Committee staff, to fill in but she is attending
	the same meeting Maxwell is. I next asked Ed Levine, also of the Committee
Υ··	staff, to fill in and he agreed. It is set for 26 September at 1:00 p.m.
• •	I asked Maxwell about Senator Walter D. Huddleston's (D., Ky.) letter
• .	of 19 September pertaining to use of Section 102(c) of the National Security
	Act. The letter asked for a 15 year breakdown on use of the section. I told
•	Maxwell a five year breakdown was readily available but that a compilation of
	statistics for 15 years would require about three weeks of work. I asked
	Maxwell if he thought five years was a sufficiently lengthly period for the Committee's use. He said to send him the statistics for five years as soon as
	possible and he would see if anything else was needed and let me know.
**************************************	r and the know.
25X1	8. LIAISON Called John Elliff, Senate Select
	Committee on Intelligence staff, in an attempt to get a final word if
	Senator Birch Bayh (D., Ind.) could speak at a Latin America COS Conference of
	3 October. Elliff reported that he could not. I then called Tom Moore, also
	of the Committee staff, and asked him to check whether Senator Gary Hart
•	(D., Colo.) might appear before the group. Moore said he would let me know
	on 26 September.

25X1	6. TIAISON Booking a rall 6
23/1	Shulsky, Senator Daniel P. Moynihan's (D., N.Y.) designee on the Senate Select Committee on Intelligence. Shulsky asked the status of comments being prepared on S. 1950, Senator Moynihan's proposal regarding Soviet SIGINT activities. After checking, I informed Shulsky that the Extraction Proposal regarding Soviet.
	was in no position to comment until PRM-22 decisions were made, this would not be for about two weeks.  Shulsky said it is his understanding had prepared 25X1 some studies on this problem for the White House Office of Telecommunications
•	Policy. Shulsky asked if this was so and if he could see the studies. I told him I would try and find out if such studies existed, however, he would have to make a request to review the reports with the White House.
25X1 25X1	7. LIAISON Called Stan Taylor, Senate Select Committee on Intelligence staff, and informed him 25X1 would be able to meet with him on 12 September at 10:00 a.m.
25X1	I also informed Taylor of the scheduled 16 September hearing on FOIA before Senator James Abourezk's (D., S. Dak.) Subcommittee on Administrative Practice and Procedure, Senate Judiciary Committee, and expressed our concerns that it would not be a balanced hearing. Taylor said he did not believe Senator Jake Garn (R., Utah) would be in a position to act since he was not a member of the Senate Judiciary Committee. Taylor said he would mention it to him, and perhaps Senator Garn would speak to Senator Orrin G. Hatch (R., Utah), who is a Member of the Senate Judiciary Committee.
25X1	R., Wyo.) office and explained to Pat Hoff, who is handling Senate Judiciary Committee matters for the Senator, our concern about the 16 September hearing on FOIA. Hoff said she would like to be briefed on this situation and would bring it to Senator Wallop's attention. We tentatively arranged for 2:00 p.m. on 13 September for a meeting.
