25. [Redacted] LIAISON Called Tom Moore, Senate Select Committee on Intelligence staff, who said Senator Gary Hart (D., Colo.) would be glad to speak to the Latin America COS Conference on 3 October but could only do so from 8:30 a.m. to 9:30 a.m. instead of 9:30 a.m. to 11:00 a.m. as we had requested. I told Moore I thought this would be satisfactory. Moore said Senator Hart had received a number of letters from constituents who worked for a major defense contractor in Colorado about new industrial security procedures involving the use of polygraph. These procedures were apparently implemented as a result of the Christopher Boyce case. Moore said Senator Hart would like a briefing on the new procedures and their effectiveness. 10. (Internal Use Only - DFM) BRIEFING Accompanied [redacted] DDI/CPS/CSS, to a meeting with Bill Miller, Staff Director, Senate Select Committee on Intelligence, regarding the planned 29 September briefing. The agenda for the session had grown too lengthy and [redacted] and Miller agreed on deletions. [redacted] also informed Miller of the once a week substantive briefings to the members of the staff on the House Permanent Select Committee on Intelligence. Miller accepted [redacted] suggestion for regular substantive briefings for the Senate Select Committee on Intelligence. The briefings will be biweekly and will begin on Tuesday, 4 October. I asked Miller whether he had reviewed the 20 July transcript of the Director's briefing and whether the deletions we had suggested were satisfactory. Miller said he had done so and the deletions would be made. Miller reviewed a draft letter to Senator James Abourezk (D., S. Dak.), Subcommittee on Administrative Practice and Procedure, Senate Judiciary Committee, in which we suggested some special arrangements for the Select Committee to handle papers for Senator Abourezk's Subcommittee to review. Miller said this approach was fine.

7. [Redacted] LIAISON Received a call from Elliot Maxwell, Senate Select Committee on Intelligence staff, who said he would be unable to address the Senior Seminar as he had previously agreed because of a meeting just called at the NSC on the new Executive Order. I asked Anne Karalekas, also of the Committee staff, to fill in but she is attending the same meeting Maxwell is. I next asked Ed Levine, also of the Committee staff, to fill in and he agreed. It is set for 26 September at 1:00 p. m.

I asked Maxwell about Senator Walter D. Huddleston's (D., Ky.) letter of 19 September pertaining to use of Section 102(c) of the National Security Act. The letter asked for a 15 year breakdown on use of the section. I told Maxwell a five year breakdown was readily available but that a compilation of statistics for 15 years would require about three weeks of work. I asked Maxwell if he thought five years was a sufficiently lengthy period for the Committee's use. He said to send him the statistics for five years as soon as possible and he would see if anything else was needed and let me know.
