OFFICE OF LEGISLATIVE COUNSEL

Thursday - 14 October 1976

1. (Confidential - GLC) LIAISON Called Bill Miller, Staff Director, Senate Select Committee on Intelligence, and told him that I thought the session yesterday down at [redacted] with Mike Madigan and Rick Inderfurth, also of the Committee staff, went very well. I said we had discussed several other matters including the question of the number of staff traveling to [redacted] on 21 October. I made it clear that Mr. Knoche has said that we would accommodate as many as the Committee wanted but that Inderfurth and Madigan had reservations on how many should go. I told Miller that Madigan and Inderfurth said they would check on this and be back in touch with us.

I also mentioned to Miller that we had received a call from Walt Sheridan, Chief Investigator, Subcommittee on Administrative Practice and Procedures, Senate Judiciary Committee, saying that the Subcommittee was going to conduct "oversight inquiries" into the death of Orlando Letelier. Miller agreed that we should contact Sheridan and tell him that the Agency is cooperating with the Department of Justice within our guidelines, that this is a domestic investigation and any information they seek should come from Justice.

2. (Secret - GLC) BRIEFING George Murphy, Executive Director, Joint Committee on Atomic Energy, called requesting a briefing for himself on [redacted] in connection with his impending trip on 5 November. Murphy said his main interest is in speaking to some of our DDO people who may have currently returned from these stations and would be able to give him a fill-in. A tentative date of Wednesday, 20 October at 10:00 a.m. has been scheduled. [redacted] SA/DO/O, and [redacted] OCI, have been advised. [redacted] is handling for OLC.)

3. (Unclassified - GLC) LIAISON Bob Wolthius, White House staff, called and said that the Special Prosecutor had announced today that the investigation concerning President Ford and Kent County, Michigan has been concluded and that it was determined that the President in no way violated the law.

I asked Wolthius if he knew if H. R. 13615, the CIARDS legislation, was on the President's desk for signature and what the time frame was. Wolthius said that the President would have until 18 October to sign the bill.
