11. [Redacted] LIAISON Received a call from John Swanner, Staff Director, House Committee on Standards of Official Conduct, regarding payment of the cost of travel of witnesses who were either Agency employees or former employees. He specifically mentioned the case of [Redacted] I told him I thought we could take care of the [Redacted] case since the Senate Select Committee on Intelligence, which is also interviewing [Redacted] on his upcoming trip to Washington, has agreed to pay for his travel. Swanner said that the Committee is quite willing to pay for the cost of the travel of Agency people but since all of their records are public documents they would have to identify the names of the individuals who received funds from the Committee for this purpose. He wanted to share this problem with me in the hope I could help him find some solution to it. I discussed several possibilities, including our advancing funds for travel and submitting an overall voucher (with no names involved) to the Committee on a quarterly or other periodic basis. I told Swanner I needed to explore this with our people and would call him back.

3. (Unclassified - DFM) LIAISON Received a call from John Elliff, Senate Select Committee on Intelligence staff, who said that Admiral Turner would be speaking at Wabash College in Indiana on 11 November. According to Elliff, Senator Birch Bayh (D., Ind.) will be nearby on the same date and Elliff thought Senator Bayh could introduce or accompany the Director if schedules permitted. He asked me to check on this with Lynne Mann, Senator Bayh's personal secretary. After obtaining the Director's schedule, I called Mann but the time schedules conflict and Senator Bayh will not be able to meet with the Director.
