Memo

1. Park Armstrong feels we should step up schedule on NIE on Indonesia from second quarter '55 to January '55.
2. Our staff feel otherwise. Position of Defense Minister Iwa still uncertain. If we wrote estimate now, we couldn't say much we didn't say in NIE 65-54 (19 May 1954).
3. Suggest using estimate on Major Trends in Non-Communist Asia (now scheduled for first quarter '55) to cover any current requirement on Indonesia and leaving Indonesian estimate to second quarter.
