THRU : AD/RA  
Ch/R/RR

Chief, D/I

Project No. 35.247 "Interim Study of USSR Shipyards - Region III"

1. I am forwarding herewith three copies of subject Interim Study and agree with the recommendation of the Branch Chief and the editor that it be considered as an IP even though it will probably be useful to both ONI and APOIN.

2. The primary purpose is to have the available information gathered together so that the Branch may be able to prepare estimates and aid in evaluating intelligence reports or interim Studies. Other Economic Regions will be completed as rapidly as possible for the same purposes and are included in our next year's program.
