INTELLIGENCE MEMORANDUM

The Dominican Republic Situation Report

(Report as of 10:30 AM EST)

1. As of 7:30 AM EST there had been no report of violence in Santo Domingo during the night except for the previously mentioned killing of Orlando Bonnelly. No violence has been reported in Santiago either.

2. Radio stations in the capital appeared on the air on schedule this morning and mentioned the refusal of the Dominican military chiefs to step down in their resumé of yesterday's news events. The military-controlled Radio San Isidro carried martial music interspersed with recorded statements of the military's position. The station assured the populace that "it had nothing to fear." Santiago stations continued to broadcast anti-Communist declarations by area military commanders and carried a statement by Garcia Godoy's uncle ridiculing the possibility of holding elections in the near future.
