INTELLIGENCE MEMORANDUM

The Situation in Indonesia
(As of 4:00 P.M. EST)

1. There have been no reports of new developments in Djakarta since the last situation report.
2. The Indonesian army officer in charge of security in Djakarta today assured the US Embassy of complete protection and also promised to protect American residences. He stated that a large demonstration against the Embassy which had been slated for tomorrow has been forestalled. In view of the generally unstable security situation in Djakarta the value of this assurance is problematic.
