Location: Fushing-shen Army Barracks Northeast AL-3 is located 1.4 km northeast of Su-miao and 39 km northwest of the China-Laos border.

General: This report updates the referenced CIA asset report on this installation. It is based on a chronological study utilizing the earliest coverage and all subsequent, available high-resolution photography of the installation. Note that the identification and boundaries of the functional areas may differ from those in the CIA report. The number in parentheses after dimensions (e.g., 145) indicates the estimated building capacity for wheeled vehicles. Square footage is shown for barracks, quarters, messhalls and storage facilities.
