Location: Lin-tsang Army Barracks West AL-2 is located on the western edge of the city of Lin-tsang.

General: This report is based on a chronological study utilizing the earliest coverage and all subsequent usable high-resolution photography of the installation. Square footage is shown for messhall dining areas, storage facilities, quarters and barracks (all of the buildings identified as barracks may not be used as living quarters). The number in parenthesis after dimensions (e.g., 7x) indicates the estimated building capacity for wheeled vehicles.

This installation appears to have a headquarters/support function. It has a large number of administration and support buildings arranged in an irregular pattern.
