SUBJECT: Submission for Project No. 00.1011, Part D.

Importance of POL in Total Rumanian Exports to Free World

- 1) 1954 Rumanian exports to Free World \$87.6 million
- 2) 1954 Rumanian POL exports to Free World \$41.8 million
- 3) POL as percent total Rumanian exports to Free World 47.7 %

Sources:

- 1) Department of Commerce, value series
- 2) M/P estimate

Note:

It should be pointed out that of this Free World Pol export total \$25.8 million or 61.7% was exported to Finland under a triangular trade agreement among Rumania-Finland-USSR. The \$24.3 export surplus from the Finnish trade was paid for by Finland with clearing rubles rather than Western exchange.
