4. (U) Hire the Handicapped: The Civil Service Commission's annual report on "Employment of Handicapped Individuals Including Disabled Veterans in the Federal Government" to Senate and House Committees included mention of the CIA's arrangements to use interviews in lieu of written tests for deaf applicants among the examples of significant achievements.

5. (U) Part-Time Employees: The Civil Service Commission has recently issued a report showing that, as of 30 April 1976, 1.9% of Federal permanent employees were part-time. The range was from 0.1% in the Air Force Department to 9.0% in the Veterans Administration. On 30 April 1976, the part-time employment in the Agency was 2.5% of the total strength. It is now 3.1%.

6. (U/AIUO) Combined Federal Campaign: As of 2 November 1977, Agency employees pledged \$201,381.00 for the Combined Federal Campaign. This is 70.1% of the Agency's goal. Approximately 37% of the pledge cards have not been returned.

7. (U/AIUO) Longshoremen's Strike: The Longshoremen's strike against the container ship lines on the East and Gulf coasts remains at a stalemate. At this time there is no indication of a settlement in sight. Currently there are 15 inbound shipments and one outbound shipment belonging to Agency employees which are being held up because of the strike.

8. (U/AIUO) Open Season: The annual open season for enrollment changes under the Federal Employees Health Benefits Program will be held 14 November through 9 December. Headquarters and Field notices on this subject have been forwarded for publication. The revised Association Benefit Plan brochures are scheduled to be received from Printing and Photography Division on 10 November. Other plan brochures will also be available for the "Open Season."

9. (U ) Change in Federal Woman's Award Program: The Federal Woman's Award Program has presented awards to exemplary career women for 16 years. Nominations have been prepared by their respective offices, at our request, in anticipation of an invitation which has not been forthcoming. When we first inquired, the Civil Service Commission advised that there was a delay because the Program was being reviewed. We have now learned that the Program will not be held in 1977 and that if one is held next year, it will be changed considerably. We are notifying the nominating offices.

Dear Mr. Janney:

Our reorganization task force was pleased to receive your comments on PMP Option Paper Number Four: Federal Government Labor-Management Relations. We appreciate the nature and sensitivity of the CIA mission and in no way contemplate removing your exception.

In preparing alternative recommendations, we have carefully reviewed all comments, including yours. Now the overall Personnel Management Project is working to integrate the recommendations of all of the different Task Forces into an effective personnel reorganization proposal.

I want you to know that we are still working on this project. But meanwhile, I want to thank you for your help.

Sincerely yours,

A handwritten signature in black ink that reads "Chit Newland".
