SUPP. TO
REPORT NO.

THIS DOCUMENT CONTAINS INFORMATION AFFECTING THE NATIONAL DEFENSE OF THE UNITED STATES, WITHIN THE MEANING OF TITLE 18, SECTIONS 793 AND 794, OF THE U.S. CODE, AS AMENDED. ITS TRANSMISSION OR REVELATION OF ITS CONTENTS TO OR RECEIPT BY AN UNAUTHORIZED PERSON IS PROHIBITED BY LAW. THE REPRODUCTION OF THIS REPORT IS PROHIBITED.

THIS IS UNEVALUATED INFORMATION

1. Almost midway between Kyustendil and Stanke Dimitrovo (formerly Dubnitsa) near the road, very close to a small village called Tzarna Niva, there are literally thousands of graves, also ditches filled with bodies (mass graves). This location is kept strictly secret by Bulgarian Communist authorities.
2. It is probable that these bodies come from the districts of Dubnitsa, Radomir, and Kyustendil. They are believed to be the bodies of individuals condemned without trial, by action of the Communists alone, taken out in the country, shot and buried. In such cases, the victim is reported to have "disappeared." This is an old Bulgarian game, not unknown elsewhere in the Balkans.
