PRESSURE TO SIGN PETITION AGAINST ATOM BOMB USE -- Argentinisches Tageblatt, No 19,531
 14 Jun 50

In several suburbs of Dresden the petitions against the use of the atom bomb were issued together with the food-ration cards. The population was told that the ration cards would be taken from them if they did not sign the petition against the use of the atom bomb. They were told that by declining to sign, they were voting for the dropping of the atom bomb.

PRESSURE ON CHURCH CHARITIES -- Argentinisches Tageblatt, No 19,527, 10 Jun 50

In the future, collections for the Protestant Church in Sachsen-Anhalt may be made only by collectors with a special identity card with photograph. The People's Police will confiscate the money collected by anyone who does not possess such a card. From now on, house-to-house collections may be taken up only from church members, because "the rest of the people are not to be bothered by the church."

PEOPLE'S POLICE AID COAL MINING -- Freie Presse, No 128, 7 Jun 50

To help coal miners of the Karl Marx Mine I, a black coal mine in the Zwickau area, to meet their quota, 29 People's Policemen joined them in their work. Assisted by a few miners, the police "volunteers" mined 160 mine cars of coal.

UPPSALA DECLINES INVITATION -- Dagens Nyheter, No 151, 8 Jun 50

Uppsala University has decided not to accept an invitation from the /Soviet Zone/ German Academy of Sciences to send a delegate to attend the latter's jubilee. Nor will a congratulatory telegram be sent. The reason for the decision is that the German Academy of Sciences is considered so politically involved that it actually does not represent free research.
