RECRUIT WOMEN FOR INDUSTRY

MORE PRAGUE WOMEN WORKING -- Prague, Lidove Noviny, 17 Nov 50

During the month of October 1950 a total of 7,867 Prague women took employment. Of this number, 4,663 had previously been occupied at home. These figures indicate a favorable response to the call for workers, but the possibilities in the Prague area alone have been far from exhausted.

Several Prague enterprises, particularly the transport enterprises, are making work more attractive for women by offering half-day work shifts.

URGE MORE WOMEN TO REPLACE MEN -- Prague, Lidova Demokracie, 13 Oct 50

A recent meeting of the Czech Newspaper Club was devoted to the problem of recruiting additional women for factory work. Evzen Erban, Minister of Social Welfare, emphasized the need for women to replace men in light industry, so that the latter may take their place in heavy industry and thus heighten production.

Speaking for the CSZ (Czech Union of Women, Ceskoslovensky Svaz Zen), Anezka Hodinova-Spurna urged women to volunteer their services to industry, since child care facilities and social security measures were being made increasingly available.
