	with drivers wearing red-bordered black epaulets, truck its driver wearing black-bordered red epaulets, jeep driven by a soldier with red-bordered black and trucks pied by a lieutenant colonel, 25×1	
e;		
	On 13 October, 2 medical field grade officers and 7 majors and 12 EM wearing red-bordered black epaulets or black-bordered red epaulets, some with medical dressings, left and entered the Soviet hospital in Amstetten (0 49/W 27). No motor vehicles were seen.	
5.	On 20 October, motor traffic observed at the Jacger Kaserne in Eisenstadt (P 43/X 55), which was guarded by sentries with black-bordered red epaulets, included: Truck with a white ring painted to the left of the	
	driven by a soldier with red-bordered black epaulets, trucks all driving school trucks with drivers wearing red-bordered black epaulets; jeep with a driver wearing	2
	black-bordered red ensulats: and trucks	
	wore red-bordered black ensulets. The soldiers leaving and entering the former	
	Landesregierung building guarded by sentries with red-bordered black epaulets, wore red-bordered black epaulets. About noon, four platoons of about 200 EM who apparently wore new uniforms and led by NCOs, entered the Kattnersiedlung where two sentries wearing black-bordered red epaulets were observed.	
0	In the evening of 5 and 6 October and in the morning of 7 October, one troop	
	Hungary. On 6 and 7 October, one troop train coming from an undetermined destination crossed the border station of Hegyeshelom (P 48/Y 06) toward Hungary.	
•	At 4:30 p.m. on 3 October, a troop train came from the direction of Sopron (P 48/X 63) and stopped at the Wiener Newstadt (O 48/X 34) railroad station. The train consisted of 14 boxcars, 12 of which were occupied by officers and EM, 15 gondola cars with cases and one gondola car with two sedans. The boxcars had the inscription Bulgaria. All cars, including the locomotive, were interconnected by a telephone line. The EM were not allowed to leave the train which left toward Baden (O 49/X 37) at 5:15 p.m.	
.	Comment. It is believed that most of the units had left the Doellersheim troop training grounds when source made his observations.	
, [Comment. The information again confirms that the Birago Kaserne (former Pionier Kaserne) in Melk is occupied by artillery, probably the 233d Cds Cun	
	Arty Rest of the 95th Gds Mtz Rifle Div.	
,		
, [Comment: The personnel and weapons probably belong to the 250th Gds Mtz Rifle Regt which is carried in Mauer Ochling.	
, L	Comment. The unidentified hospital in Amstetten is again confirmed by the information.	
, [Comment. The information indicates no change in the occupation of Eisenstadt. The Kattnersiedlung, however, had been reported not only unoccupied but even unguarded during the last six months.
