25X1	Comment. Previously only captured German aumunition was stored in the ammunition depot in Mockrehna. Prior to mid-November 1952, this installation played only a minor role in Soviet supply traffic.
25X1	but sizeble ammunition shipments from the U.S.S.R. suddenly began to arrive there after this date.
25X1	The Yockrehna ammunition depot was also served by Toepchin.  It is believed that a total of
25X1	about 2,000 tons of Seviet ammunition arrived at the depot prior to late November.
25X1 25X1	Comment. The dispatch of this shipment to Dannenwalde was reported previously,
