3 . 25X1	Comment. Lieutenant Colonel Titerenko in command of the bases along the coast from Wismar as far as Arkona, i.e. the northern tip of Ruegen Island. With 900 soldiers stationed on the Darss west of Wieck, the post appears to be heavily occupied.
40	Comment
25X1	Lieutenant Colonel Belig was previously reported to have been in command of the brigade. The fact that components of the brigade in the Bergen area were still housed in tents and
25X1	bunkers was confirmed at the end of December 1952
