1. Director-general of the plant, the Ernst Thaelmann-Werk, Magdeburg, (SAG AMO) is (fnu) Gladky. He has held this post since about September 1952. Prior to that he was director-general of the Schaeffer & Budenberg Plant, also a part of SAG AMO. Deputy to Gladky is (fnu) Voronin, who has held this post for about two years. Chief bookkeeper of the plant is (fnu) Bogdanov, who has held this position for about two years.
2. German chief of the teletype service at the Ernst Thaelmann plant is (fnu) Boehm. Boehm's full title is "Hauptenergetiker", a term borrowed from the Russian language which refers to his responsibility for the maintenance of all sources of energy at the plant, such as coal, electricity, and gas. The teletype section at the Ernst Thaelmann plant is in regular communication with:
 - a) SAG AMO Headquarters in Magdeburg;
 - b) The Soviet authorities in Berlin-Karlshorst;
 - c) The SAG Headquarters in Berlin-Weissensee;
 - d) The Soviet Trade Delegation in Berlin, Brunnenstr.

All messages sent to the above offices from Magdeburg are sent without any further detailed address; no official is mentioned by name; no street names, building names, or office room numbers are included.
