NO. 1367/M/R 53
TO: Instructions to all committees of the PKI

In accordance with the note of the Secretary General of the Politburo of the PKI of Djakarta dated 9 November 1953, we request all committees of the PKI and the Politburo to carefully guard the use of the PKI seal since the Masjumi Central Executive Committee has been slandering the good name of the PKI in the Makassar area and throughout West Java.

Therefore, you are requested on receipt of this letter to verbally explain this to our agents at headquarters as well as in the branches and to instruct them to screen and blacklist all members of the Masjumi whom we will resist.

It is obvious that the Masjumi is an instrument of Van der Plas of the Dutch and America.

Expenses incurred in connection with this will be defrayed as per accounts issued which may be sent to the CC at the end of each month.

Agents may not send reports by mail, since Masjumi-paid post officials, acting with the full consent of the Central Investigative Service of the Attorney General, may intercept them.

Down with the foreigners who are out to bring calamity on the people of the Republic of Indonesia.
