------------	------

1. The headquarters of the Dürzhavno Stroitelno Obedinenie (State Construction Enterprise), subordinate to the Ministry of Construction, is located at Sofia. The mission of this agency is to provide for the construction of public buildings, schools, hospitals, etc. Each political-administrative subdivision of the country (okrug) has a directorate.

Burgas Directorate

2. The okrug directorate of the State Construction Enterprise in Burgas is located at No. 14 Atanas Slavov Street. It employs approximately 100 persons, including technical directors and workers. The number of workers subordinate to the okrug directorate varies according to the season; in the season of greatest activity (summer-autumn) a maximum of 400 to 500 workers are employed.
3. Construction materials are furnished by the "Predpriatie Dürzhavni Dostavki" (State Supply Agency) with headquarters in Sofia and directorates in each okrug center. The headquarters of the Burgas Directorate are at No. 40 IX September Street. This organization assigns materials only upon authorization of the Central Directorate at Sofia.
4. Work carried out by the Burgas unit in the period 1949 to June 1953 has been as follows:
 - a. Houses for workers in the zone north of the Georgi Dimitrov Quarter of Burgas; a development consisting of 25 or 30 two-story buildings, with four apartments per building;
 - b. A polyclinic near the State Hospital in the zone east of the city of Burgas;
 - c. A skin and venereal diseases department in the Aytos Hospital;
 - d. The completion, in 1953, of a gymnasium (school) at Karnobat;
