Bronze (Rg 5)
Copper semifinished products

2,749 metric tons
469 " "

2. All these stocks with the exception of the semifinished products and wire products will be distributed by DRZ Metallurgie to factories and plants in East Germany as part of their allotments in the 1954 economic plan. The semifinished products and wire products will be offered to plants, and if no takers are found, otherwise disposed of or melted down as scrap.
