1. Russian tank units are stationed in the vicinity of Starogard (N 54-58, E 18-33) and Kartusy (N 54-20, E 18-12). About 30 tanks are assigned to the Starogard area and about 140 tanks are assigned to the Kartusy area.
2. On 26 April 1954 source saw 80 single engine fighter planes at the airfield in Wrasow (N 54-23, E 18-37).
3. During between 26 and 27 April 1954, at about 2 AM, large bomber squadrons flew in a westerly course over Gdynia (N 54-30, E 18-33). The planes did not have lights on and were probably Russian aircraft.
