dstail was quartered in the former custom houses on the northwestern perimeter of Apetlon. Five motor vehicles were parked near these buildings. The bus garage of the austrian State Railways was confiscated. The garage, however, has not yet been occupied. Prior to 0600 on 30 September, the AAA camp was still occupied.	•
Break factor Bloom	ì
2. At 0500 on 1 October, a troop train of 25 bexcars with soldiers and an undetermined number of flarours with 8 AA guns and 2 field kitchens passed through the Bruck on the Leitha Riber railroad station. The train came from Wallern and went to Kornsuburg. Two additional treep with AA guns from Wallern were scheduled to pass through Bruck. Their destination could not be determined.	•
Comment. The present report indicates that the AAA units which held	051/4
field exercises or AAA firing practices at the Apetlen AAAR ages left Apetlon	25 <b>X</b> 1
field exercises or AAA firing practices at the Apetlen AAAIIngs left Apetlon by late September 1954.  The confinestion of the bus	25X1
field exercises or AAA firing practices at the Apetlen AAAIIInage left Apetlon by late September 1954.  The confinentian of the bus garage during the fall of 1954 was previously reported. The procedure possibly is connected with an alleged occupation of a section of the camp during the winter of 1954/1955.  The troop train with AA guns from Wallern to Korneuburg carried units of the 23d AAA Div back to their	
field exercises or AAA firing practices at the Apetlen AAAII age left Apetlon by late September 1954.  The confineation of the bus garage during the fall of 1954 was previously reported. The procedure possibly is connected with an alleged occupation of a section of the camp during the winter of 1954/1955.  The troop train with AA guns	25 <b>X</b> 1
