PAGES 1 ENCLOSURES (NO. & TYPE) \_\_\_\_\_REMARKS This is UNEVALUATED Information

The following [redacted] and aircraft were observed at Parndorf airfield between [redacted] 1954. Part of the observations were made from Buckau/ [redacted]

25X1

8 December. No air activity was observed from Bruck/Leitha.

9 December. Between 1000 and 1200, individual flights were made at altitudes of about 1,000 meters at intervals of 20 minutes. The aircraft approached from the east, flew a bank between the steeple and the perimeter of Bruck and headed in the direction of the depot near the railroad station. There was high fog. Between 1300 and 1600, aircraft practiced flying as in the morning at altitudes of about 800 meters and at intervals of 10 to 15 minutes.

10 and 11 December. Between 1000 and 1200 and between 0900 and 1400 respectively flying was practiced at altitudes of about 800 meters as on 9 December. There was a 1/10 overcast and good visibility.

11 December. At about 1500, there was no air activity. Twenty-two jet aircraft [redacted] 2 monoplanes and 1 biplane were parked at the field. Between 1700 and 1800, there was no air activity. The airfield was lighted. 25X1

12 December. While reconnoitering the field twice at night, only the fuel dump and the take-off strip were lighted. There was no air activity. There was rain.

13 and 14 December. There was no air activity. There was a 10/10 overcast.

15 December. Between 0900 and 1200, 3 jet aircraft were seen flying as on 9 December at intervals of about 25 minutes. There was a 10/10 overcast and fog.

19 December. At about 2400, the fuel dump and the take-off strip were lighted. The weather was clear. No air activity was observed throughout the day. There was a 2/10 overcast.

20 December. No air activity was observed. There was closed ceiling and fog.

[redacted] Comment. Parndorf airfield is still occupied by a Soviet fighter regiment which is equipped with MiG15s. Aircraft [redacted] were reported from Parndorf for the first time; [redacted] were repeatedly seen there. 25X1
