This is UNEVALUATED Information		25X1

On 11 January 1955, no air activity was observed at Rothenburg airfield. The installation was guarded by Soviet soldiers whose service color could not be determined. The location and course of the runway could not be observed because of a heavy snowstorm. [redacted] some aircraft were possibly parked at the field. However, there were no observations indicating the presence of aircraft.

25X1

Comment. According to the last reports, some aircraft were stationed at Rothenburg airfield around late November and early December 1954 and left the field about 2 weeks before Christmas 1954. It is not known if any aircraft are still stationed at the field.
