:	of Zeiss equipment. Although DIA realized that the trained Zeiss personnel were more familiar with the equipment and were in a much better position to push these items for export, DIA had resisted all efforts to let Zeiss Jena handle its own exports so as not to set a precedent with respect to the other VEBs. However, DIA reportedly is now willing to let Zeiss Jena personnel travel abroad more frequently to visit their old trade representatives and conclude tentative contracts which would then be submitted to DIA as a matter of form for approval.						d ^v
