4. (Unclassified - CM) CONSTITUENT I called Arthur Bryant, of the staff of Representative Allen E. Ertel (D., Pa.), apropos his 15 June call on a constituent's request for information on how covert activities are authorized. I read Bryant the language of the Hughes-Ryan Amendment and referred him, by United States Code citation, to the same item. He found it in his copy of the Code, and said that would satisfy his request.

5. (Internal Use Only - CM) BRIEFING At [redacted] request, I sat in on briefings for Senate Select Committee on Intelligence staffers, Walt Ricks, Barbara Chesnik, and Don Sanders, on Agency filing systems and procedures as given by [redacted] Records Administration Branch/DDA. The three staffers expressed a desire for briefings from records officers of other directorates--DDO, DDI, and DDS&T--and we tentatively set 22 June as a date for such briefings.

7. [Redacted] LIAISON Received a call from Rick Grawey, staff member of the House Government Operations Committee, who, on behalf of Chairman Jack Brooks (D., Texas), has been following the problem of eligibility of reemployed CIARDS annuitants for further retirement benefits. He expressed his appreciation for the letter I had written explaining the complexity of the Agency's handling of the Civil Service Commission's new policy granting eligibility to reemployed CIARDS annuitants for benefits under the Civil Service retirement system. I told him that we hoped to get to him a copy of the letter that Personnel is sending to all annuitants and a copy of the legal brief on waiver by Monday of next week. The Office of Personnel and OGC were advised.

They must submit the comments to the White House by this afternoon. I told her that the Agency's response was with the Director for signature. She asked for an advance copy today in the event that it is not received in time. 17. [redacted] LIAISON Chuck Snodgrass, House Appropriations Defense Subcommittee staff, called to say that Chairman George Mahon (D., Texas) wanted to speak with me but in my absence Snodgrass talked to [redacted] and asked for the Director's phone number. The Chairman then tried to reach the Director who was in a meeting at the White House. On my return to the office from the Hill, I attempted to reach Snodgrass but was told that he was in a private meeting with Chairman Mahon and could not be interrupted. I later called Snodgrass again and reached him. At this point he said that the matter they had called about had passed and there was no need to discuss it with us. I asked Snodgrass if Chairman Mahon still wanted to talk to the Director and he said he thought not. I suggested that the Director pursue the call to Chairman Mahon, however, and later learned that he talked with Chairman Mahon by phone and in a social contact later in the evening but the Chairman indicated that Snodgrass said the matter had passed and was of no consequence.
