3. (Internal Use Only - PLC) LIAISON John Tipton, GAO, called to alert us that during his discussion this morning with the staff of Chairman Joshua Eilberg's (D., Pa.) ADDENDUM TO JOURNAL

OFFICE OF LEGISLATIVE COUNSEL

Friday - 7 July 1978

1. (Unclassified - SF) LIAISON Sent by courier to John Carbaugh, in the office of Honorable Jesse A. Helms (R., N. Car.), the following publications, per his request of 5 July: "China Oil Production Prospects," June 1977; xeroxed pages on Peoples Republic of China and Taiwan from the National Intelligence Factbook, January 1978; "China: International Trade, 1976-77," November 1977; "China's Economy," November 1977; "China: Economic Indicators," October 1977; "A Study of Climatological Research as it Pertains to Intelligence Problems," August 1974; "Potential Implications of Trends in World Population, Food Production, and Climate," August 1974; PRC Atlas and a wall chart on "Chinese Communist Party Organizations," September 1977. These publications are for Mr. Carbaugh's reading in advance of a speech the Senator is preparing to make.

2. (Unclassified - DFM) LIAISON Called Lot Cooke, Senate Select Committee on Intelligence staff, to inform him we would prefer to have the Select Committee destroy the materials we had provided them on the MKULTRA program rather than returning them to the Agency. Cooke said he thought that was satisfactory but because there was so much material it might be a logistics problem. I said I would check with the Office of Security to see if they could pick up the burn bags for the Committee.

3. (Confidential - DFM) LIAISON Dave Fitzgerald, Legislative Assistant to Senator Jake Garn (R., Utah), was at Headquarters for an NFAC briefing on the general military, political and economic situation in Rhodesia. Fitzgerald leaves for Rhodesia on behalf of Senator Garn this afternoon.
