11. (Unclassified - RJW) LEGISLATION Called John Kaul in the FBI's Congressional Affairs office. I asked Mr. Kaul if the figure he had given us concerning the annual amount of "confidential funds" expended by the FBI is a classified figure. I explained that I had included the figure in a Memorandum for the Record regarding a recent conversation with Larry Hammond, Deputy Assistant Attorney General, Department of Justice with regard to H.R. 12171, the "Federal Accounting and Auditing Act of 1978." Mr. Kaul said that the \$70,000 figure is a matter of public record and therefore not classified.
