INTERIM GUIDANCE

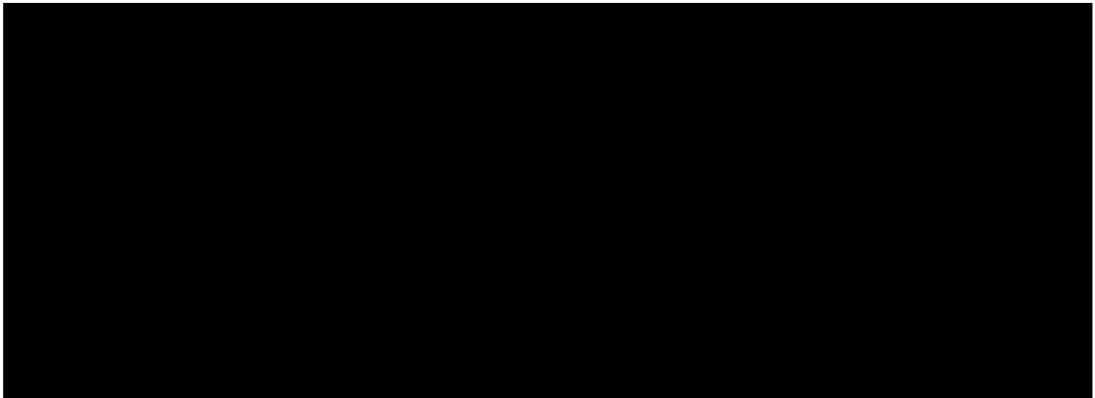

A. Great Policy:

25X6

1. The U. S. Government, in concert with other Western
 will ignore Stalin's passing from
power by omitting condolences.

2. The U. S. will conduct a psychological offensive which
evidences U. S. interest in the type of Government which will
evolve in the USSR, and expresses hope for a more responsive
domestic policy providing peace, freedom, and more abundant life
for its people and a more cooperative international policy con-
forming to the purpose and principles of the UN Charter.
