PSYCHOLOGICAL STRATEGY BOARD
WASHINGTON, D. C.

MEMORANDUM FOR THE DIRECTOR:

August 21, 1952

Subject: Analysis of Planning Procedures. - PSB Board Luncheon, 8/21/52

In accordance with the Board's request, your staff has been carrying out an analysis of existing planning procedures with a view to tightening up the whole process. In my view you can safely say the study indicates that the difficulties which have been noted arise mainly from uncertainties as to the scope and aim of PSB planning and the exact responsibilities of the Director's staff. A detailed analysis of these areas of uncertainty is being prepared, together with constructive proposals for the needed clarifications. These proposals include one for a new simplified planning format which is being worked out in consultation with member agencies.

It is suggested that you inform the Board that because of the basic issues involved you feel it advisable to hold up your report for discussion  after further consultations at the working level.
